

FOR IMMEDIATE RELEASE

CCS Inc. Acquires EFFILUX SAS

Kyoto, Japan, 23rd October 2018 - CCS Inc. (CCS, Japan; President - Hiroyuki Onishi), the world's leading manufacturer of LED lighting in machine vision image processing, acquires 100% of the shares of EFFILUX SAS (Effilux, France) as a wholly owned subsidiary as of October 22, 2018.

CCS has been leading the industry since its establishment in 1993; developing, manufacturing, and selling innovative lighting and control units. It develops the most suitable lighting solutions for various industries, optimized to meet each customer's needs and work with their inspection equipment and environment.

Headquartered in France, Effilux and its sales subsidiary in Germany, specialize in developing, manufacturing and selling LED lighting for machine vision image processing applications in Europe. It offers a specific product lineup and custom capability corresponding to market needs and customers' requests.

With Effilux joining the CCS group, CCS aims to accelerate its growth of overseas machine vision business by strengthening product capabilities through their complementing lineups and actively utilizing the technical capabilities of both companies.

CCS will continue to strive to be a vital lighting solution vendor for manufacturing companies around the world, helping customers illuminate what needs to be visible.
